ISO CERTIFIED 9001

UNI CERTIFIED QUALITY SYSTEM
ISO 9001:2015 CERTIFICATION. SGS N°IT07/0886

Interiors

Oils

HARD TOP OIL provides a soft final effect to the surface.

Clean the surface.

Apply one coat by handroller, brush or soft cloth.

10'
After 5-10 min, rag off.

6/8 h
Let dry for 6-8 hours.

For very accurate finishings sand with abrasive paper grit 220-240 before applying the second coat.

24h
Total drying 24 hours.

To refurbish the surface, even partially, rub with and abrasive pad and apply a new veil of oil.
