

BORMA WACHS®

SHABBY PROVENCE

The charm of natural Vintage

Decorative chalk-paint for interior
antique finishings in Vintage and
Shabby chic style.

Decoration

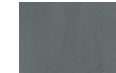

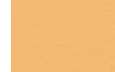

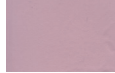

SHABBYPROVENCE

Plus:

- Waterbased formulation, odourless and non-toxic
- Rich in natural gypsum, it provides a silky and matt look
- High viscosity, it allows beautiful 3d effects and high coverage in one single coat
- Available in 35 colours
- Light-resistant colours
- Easy brush application
- Suitable for many artistic works and different styles
- Ideale for furniture and other interior objects
- Recommended protection with waxes, oils and lacquers from Borma range.
- Perfect to refurbish old furniture, it does not require a preliminary paint-removal.

Decoration

- If lacquered, lightly sand the surface, grit 180-220.

- Remove dust and grease

- Apply the first coat by brush, spray or roller

- Let dry for 3-5 hours
- Intermediate sanding recommended, but not compulsory

- To get a scratched effect, locally apply some Slipperwax or Softwax, then proceed to the application of a second or possibly third coat

- Total drying in 3-5 hours
- Proceed to the finishing with waxes, oils and lacquers from Borma range.
